Rule 100-2-.07. Endorsement.

The Board may license by endorsement, a chiropractor who holds a license that was obtained by examination from another state or territory of the United States subject to the following conditions:

- (1) An applicant will not be considered for licensure by endorsement in the State of Georgia if he or she has ever failed the Georgia Practical Examination.

- (2) Applicants for licensure by endorsement must have been licensed, in good standing in ALL states in which they hold a license, and have been in active practice for a minimum of three (3) years.
- (3) Applicants for licensure by endorsement must show evidence of having successfully passed all parts of the National Board of Chiropractic Examiners (NBCE) examination that were available at the time of graduation or that were required by the state in which the applicant was first licensed and practiced for a minimum of three (3) years. Applicants must provide evidence of any such state requirement(s) referred to in this section of the rule.
- (4) As part of the licensure process, the applicant shall complete an application for licensure by endorsement and shall:
 - (a) submit all applicable fees provided for in Board Rule [100-11-.01](#);
 - (b) cause certification documents demonstrating his or her good standing to be submitted directly from the boards of all states in which the applicant holds a license to practice chiropractic. To be considered for licensure by endorsement, an applicant's license(s) must be in good standing in any and all states and territories of the United States in which he or she successfully passed an examination for licensure;
 - (c) submit a signed affidavit indicating that the applicant has read and understands the Laws and Rules governing the Chiropractic practice in the State of Georgia, and shall be subject thereto.
- (5) Applicants for licensure by endorsement, at the discretion of the Board, shall submit proof of having successfully passed the Special Purposes Examination for Chiropractic developed and administered by the National Board of Chiropractic Examiners no earlier than 24 months prior to date of application.
- (6) The applicant for licensure by endorsement must not have committed any act that would constitute a violation of the Georgia Board of Chiropractic Laws and Rules. Furthermore, he or she must not be the subject of any pending or unresolved disciplinary action or malpractice judgement in this or any other state or territory.
- (7) Applicants for licensure by endorsement may, at the discretion of the Board, be required to appear for a personal interview.

Rule 100-2-.07A. Endorsement for Military Spouses, Service Members.

The Board may license by endorsement, a chiropractor who qualifies as a military spouse or transitioning service member as defined in O.C.G.A. § [43-1-34](#), subject to the following conditions:

- (1) Holds an active license, in good standing, that was obtained by examination from another state or territory of the United States, for which the training, experience, and testing substantially meet or exceed the requirements under this State to obtain a license.
- (2) An applicant will not be considered for licensure by endorsement in the State of Georgia if he or she has ever failed the Georgia Practical Examination.
- (3) Applicants for licensure by endorsement must have been licensed, in good standing in ALL states in which they hold a license, must submit a verification of licensure from most recent state or territory in which they have ever held a license and must have been in active practice for a minimum of one (1) year. Applicants that do not meet these requirements outlined in paragraphs (1) and (2) of this rule must apply for licensure by examination.
- (4) Applicants for licensure by endorsement must show evidence of having successfully passed all parts of the National Board of Chiropractic Examiners (NBCE) examination that were available at the time of graduation or was required by the state in which the applicant was first licensed, and practiced, for a minimum of one (1) year. Applicants must provide evidence of any such state requirement(s) referred to in this section of the rule.
- (5) As part of the licensure process, the applicant shall complete an application for licensure by endorsement and shall:
 - (a) Submit all applicable fees provided for in Board Rule [100-11-.01](#);
 - (b) Cause the submission of all documents directly to the Board, as requested, from the states or entity authorized to make the submission;
 - (c) Submit a signed affidavit indicating that the applicant has read and understands the Laws and Rules governing the Chiropractic practice in the State of Georgia, and shall be subject thereto.

- (6) To be considered for licensure by endorsement, an applicant's license(s) must be in good standing in any and all states and territories of the United States in which he or she successfully passed an examination for licensure.
- (7) Applicants for licensure by endorsement may, at the discretion of the Board, be required to submit proof of having successfully passed the Special Purposes Examination for Chiropractic developed and administered by the National Board of Chiropractic Examiners which was taken no earlier than 24 months prior to date of application.
- (8) The applicant for licensure by endorsement must not have committed any act that would constitute a violation of the Georgia Board of Chiropractic Laws and Rules. Furthermore, he or she must not be the subject of any pending or unresolved disciplinary action or malpractice judgement in this or any other state or territory.
- (9) Applicants for licensure by endorsement may, at the discretion of the Board, be required to appear for a personal interview.

Rule 100-2-.08. Inactive License.

- (1) A Doctor of Chiropractic who holds a valid license to practice Chiropractic in the State of Georgia may request the license be placed on inactive status under the following provisions:
 - (a) Notifies the Board, in writing, that he or she chooses to retire from active practice of the profession or will no longer practice Chiropractic in the state of Georgia.
 - (b) Provides a statement acknowledging that he or she shall not engage in the practice of Chiropractic and shall not hold themselves out to the public as being available to provide chiropractic services in this state.
- (2) Upon meeting the aforementioned conditions said license shall be considered inactive and the licensee:
 - (a) Shall not be required to obtain the necessary continuing education credits for renewal of the license.
 - (b) Shall not be assessed a renewal fee for the period that the license is inactive.
- (3) Within the state of Georgia, the practice of chiropractic with an inactive license shall be considered unlicensed practice and is subject to disciplinary action.

- (4) Should a Doctor of Chiropractic holding an inactive license choose to return to active practice in this state, the following requirements must be met:
 - (a) Submit an application for reactivation along with the reactivation fee established by the Board.
 - (b) Submit evidence of attendance at forty (40) hours of Board approved continuing education within the last two (2) years.
 - (c) Provide evidence that licensee is in good standing in all jurisdictions in which he or she has ever been licensed.
- (4) After 5 years of continuous inactive status, the Board may, at its discretion require successful completion of the Special Purposes Examination for Chiropractic (SPEC) and/or additional coursework.

Rule 100-2-.09. Reinstatement of Expired Licenses.

- (1) A minimum of two (2) years shall pass from the date of any revocation of a license before the Board will consider an application for reinstatement. If the Board denies any application for reinstatement, the Board may require that a minimum of two (2) years pass from the date of the denial before the Board will consider subsequent applications for reinstatement. This rule shall only apply in those instances which the license in question was revoked for reasons other than failure to renew.
- (2) For purposes of this regulation, the administrative revocation of a license for failure to renew shall not be treated as a disciplinary action or contested case.
- (3) In order to reinstate a license to practice chiropractic, an applicant must complete an application and pay a reinstatement fee. The applicant must submit a detailed resume of such licensee's chiropractic experience since the date said license was last renewed and in good standing.
- (4) If the chiropractor has been practicing outside of Georgia, the Board must receive a statement from a recognized licensing jurisdiction regarding the state of licensure in such locale.

- (5) The applicant must demonstrate to the satisfaction of the Board that he or she has maintained current knowledge, skill and proficiency in the practice of chiropractic and that he or she is mentally and physically able to practice with reasonable skill and safety.
- (6) The Board may require the passage of an examination, such as the Special Purposes Examination for Chiropractic administered by the National Board of Chiropractic Examiners or other assessments as designated and approved by the Board.
- (7) Reinstatement of a license is at the Board's discretion. The Board may deny reinstatement but the applicant shall be entitled to an appearance before the Board.

Rule 100-3-.02. Accompanying Documents.

All applications must be completed fully and accompanied by the following:

- (a) A photograph taken within one (1) year prior to submission of the application. Unfinished proofs are not acceptable.

(b) Certification of General College Training. All applicants for licensure shall submit proof of having completed two (2) years of general college training in schools or colleges approved by the Southern Association of Accredited Colleges or schools approved by virtue of reciprocity through such association. A full year consists of forty-five (45) quarter hours or thirty (30) semester hours. The Certification of General College Training form should be mailed to the college(s) attended by the applicant for the college to complete the number of quarter or semester hours earned by the applicant. No educational credit will be granted for any home extension or correspondence study.

1. All applicants for licensure who obtain general college training from foreign schools or colleges not approved by the Southern Association of Accredited Colleges shall submit proof that general college training is equivalent to that offered by the Council of Chiropractic Education (CCE) approved college as evidenced by its use for admission purposes. The Certification of Foreign General College Training form should be mailed to the college(s) attended by the applicant to be completed by the college.

(c) All applicants for licensure shall submit proof of graduation from a chiropractic school or college accredited by the Council of Chiropractic Education (CCE) or a Board-approved successor or a chiropractic school or college which is actively seeking accreditation from the Council on Chiropractic Education (CCE) or a Board-approved successor, which requires a four-year standard college course and is approved by the Board.

1. Proof of graduation from a chiropractic school or college shall be a certified transcript of the applicant's grades attesting graduation from an approved chiropractic school or college. Such certified transcript shall be sent directly to the Board from the chiropractic school or college.

(d) All applicants (initial and re-examination) for licensure, after January 1, 1998, shall submit proof of having successfully passed Parts I, II, III and IV of the National Board of Chiropractic Examiners examination.

1. Proof of having passed Parts I, II, III and IV of the National Board examination shall be a certified copy of the applicant's transcript of scores from the National Board of Chiropractic Examiners.

Chapter 100-4. ADVERTISING.

Rule 100-4-.01. Advertising.

- (1) Defined. Advertising shall mean any information communicated in a manner designed to attract public attention to the practice of the licensee or the chiropractic profession. Advertising shall include but not be limited to any communication which is published, displayed, printed, broadcast, or spoken including the use of newspapers and other publications, telephone directories, pamphlets, handouts, billboards, window displays, radio, television, telephone, computer, internet, fax or other telecommunication device or any other means or medium.
- (2) A licensee shall not make any false, misleading, or deceptive communication in any form of advertising nor shall the licensee utilize any form of advertising which has the capacity or tendency to deceive, mislead, or confuse the recipient in any manner including but not limited to the following:
 - (a) Advertising which contains a misrepresentation of any fact or facts including advertising which has the capacity or tendency to mislead, deceive, or confuse any potential recipient either through false or misleading claims or by failing to disclose relevant or material facts;
 - (b) Advertising which conveys the impression of professional superiority or other superior attributes that cannot be substantiated. Licensees may not advertise that they have certifications or have attained diplomate status without having been conferred the title of diplomate or having received certifications by one or more of the groups found in board rule [100-4-.02](#).
 - (c) Advertising that has the capacity or tendency to create false or unjustified expectations of beneficial treatment or successful cures;
 - (d) Advertising that contains any guarantee of the results of any services;
 - (e) Advertising of services that the licensee is not licensed to perform in this state;
 - (f) Advertising, including that place in a classified or telephone directory, under a heading which may foster confusion about the professional status of the chiropractor or under a professional heading in which the chiropractor is not licensed;
 - (g) Advertising a transaction that is in itself illegal;

- (3) Chiropractors licensed under this chapter may only use the terms chiropractor, chiropractors, doctors(s) of chiropractic, and/or D.C. The use of the term Chiropractic Physicians is not authorized.
- (4) Licensees may advertise that they will perform designated chiropractic services free or at a discount if, in fact, no compensation in any form for such services will be requested from the patient, their insurer, or any third party subject to the following provisions:
- (i) A detailed account of the advertised services being offered free or at a discount must be presented in writing to, and signed by, the patient, clearly explaining that **ANY FURTHER TREATMENT WILL BE PROVIDED AT RATES REGULARLY CHARGED BY THIS OFFICE**. A copy of this document must be given to the patient and the original must be maintained in the patient record in keeping with Rule [100-10-.01\(h\)\(i\)](#) which requires that such records be retained for not less than seven (7) years from the date of service.
 - (ii) If a charge is made for any service rendered on the same day that an advertised free or discounted service is rendered, a detail account of those services offered for a fee must be provided in writing to, and signed by the patient, clearly explaining that these treatments are not a part of any offer of free or discounted services. A copy of this document must be given to the patient and the original must be maintained in the patient record in keeping with Rule [100-10-.01\(h\)\(i\)](#) which requires that such records be retained for not less than seven (7) years from the date of services.
 - (iii) For the purpose of this Section, no separate charge shall be made for the professional evaluation of diagnostic tests or procedures which are provided without cost or at a discount whether such professional evaluation is made at the time of the initial office visit or at a later date.
- (5) Nothing in this Section shall be so interpreted as to interfere with or prohibit fee discounts or offers of discounted fees in connection with any managed care plan, group plan, Medicare, or similar entity.

Rule 100-5-.02. Approval of Educational Programs.

- (1) A chiropractor must obtain a minimum of twenty (20) hours of continuing education per annum. Of these twenty (20) hours, fifteen (15) must be in chiropractic clinical science and must be on a topic in compliance with the current scope of practice, four (4) hours must be in ethics or risk management, and one (1) hour must be in Georgia Laws and Rules (NOTE: non-resident chiropractors, licensed but not practicing in Georgia, may take an additional hour of continuing education in the chiropractic clinical sciences or risk management in lieu of the required hour in Georgia Laws and Rules).
 - (a) Approved areas of study to satisfy the fifteen (15) hours in chiropractic clinical science are:
 1. Examination Procedures/Diagnoses
 2. Adjustive Technique
 3. Radiographic Technique/Safety
 4. Diagnostic Imaging Interpretation
 5. Nutrition
 6. Research Trends
 7. Physiological Therapeutics
 8. Chiropractic Philosophy; a maximum of 3 hours credit in chiropractic philosophy will be considered by the Board for continuing education approval.
 9. Clinical documentation which includes insurance billing/reporting/coding and procedures; a maximum of 4 hours credit in clinical documentation will be considered by the Board for continuing education approval.
 - (b) Approved areas of study to satisfy the four (4) hours in ethics or risk management are:
 1. Risk Management
 2. Chiropractic Medical/Legal
 3. Public Health Issues
 4. Professional Conduct/Boundaries Issues
 5. Scope of Practice.

- (c) Non-resident chiropractors, licensed but not practicing in Georgia, may take an additional hour of continuing education in the chiropractic clinical sciences or risk management in lieu of the required hour in Georgia Laws and Rules.
- (d) Courses specifically excluded from continuing education approval include, but are not limited to the following:
 - 1. Practice Management or Practice Building.
 - 2. Courses which have content beyond the scope of practice as defined by Georgia law.
- (e) Current members of the Georgia Board of Chiropractic Examiners shall receive four (4) hours of continuing education credit in ethics or risk management and one (1) hour of continuing education credit in Georgia laws and rules during each year that they serve on the Board.
- (f) Licensees that assist with the administration of the National Board of Chiropractic Examiners National Board Examination shall receive fifteen (15) hours of clinical science continuing education credit per each examination administration, four (4) hours of continuing education credit in ethics or risk management and one (1) hour of continuing education credit in Georgia laws and rules.
- (g) Up to eight (8) hours of continuing education in clinical sciences may be obtained per year by teaching clinical or chiropractic sciences courses at any CCE-accredited college or school.

These hours shall be awarded in writing by the course director/dean at the college or school.

- (2) Courses must be those in which actual attendance by the licensee shall be required. However, distance based learning courses offered via audio/visual electronic media, such as the internet, may be approved by the Board if the course meets the following criteria:
 - (a) The course must meet all of the requirements as cited in this Rule.
 - (b) The program must be test and time monitored to insure active participation by the licensee.
 - (c) No more than twenty (20) hours per biennial renewal period can be taken via audio/visual/electronic media, such as on-line/internet courses.

Rule 100-5-.04. Application for Approval and Responsibilities of Providers.

- (1) Chiropractic Colleges and/or schools accredited by the Commission on Chiropractic Education are awarded blanket approval to provide continuing education programs on topics which fall within the current scope of practice in Georgia.
- (2) Professional associations (Georgia Chiropractic Association and Georgia Council on Chiropractic or their subsequent organizations) in Georgia are awarded blanket approval to provide continuing education programs on topics which fall within the current scope of practice in Georgia.
- (3) All continuing education providers must assure that the courses taught are on a topic in compliance with the current scope of practice.
- (4) All other continuing education providers must apply for approval by the Georgia Board and must provide the following information to the board for consideration:
 1. Each sponsor or provider shall have an administrator whose responsibility is to maintain the criteria for quality in programming.

2. Providers shall use qualified personnel to develop and present the programs, which shall utilize appropriate instructional materials and resources.
 3. Providers shall provide to the Board adequate advanced promotional information, material about target audiences, program content, and faculty credentials.
 4. Providers shall provide a means of registration of the participants at each program and maintain a record of attendance for a period of three years from the date of the program.
 5. Providers shall develop policies and procedures for the management of grievances.
- (5) All continuing education providers seeking approval of the continuing education program by the Georgia Board of Chiropractic Examiners shall submit a Program Approval Form for each program presented. These forms should be submitted 60 days in advance of the program to be considered for approval.
- (6) Providers shall provide each participant with adequate documentation of his/her successful completion of the program. The documentation shall include but is not limited to:
- (a) Name and license number of participant;
 - (b) Name of provider;
 - (c) Name and title of program;
 - (d) Hours/CEU's completed;
 - (e) Date of completion;
 - (f) Authorizing signature; and
 - (g) Board issued program approval number.
- (7) Per O.C.G.A. § [43-9-11](#), the Georgia Board of Chiropractic Examiners reserves the right to audit and/or deny any continuing education provider who does not meet the criteria, laws, rules and regulations of the board pertaining to continuing education.
- (8) The Board reserves the right for its representative to attend or conduct any on-sight audit of any continuing education program. Any fees associated with such audit must be waived by the provider. No continuing education credit would be awarded for such participation.

Rule 100-7-.03. Direct Contact with Prospective Patients.

- (1) A chiropractor shall not compensate or give anything of value to a person or organization to recommend or secure the services of the chiropractor by a specific patient.
- (2) A chiropractor shall not send, or knowingly permit to be sent, on their behalf, any oral, written or graphic communication to a prospective patient for the purpose of solicitation to render patient care services if:
 - (a) It has been made known to the chiropractor that said person does not desire to receive communications from the chiropractor;
 - (b) The communication involves coercion, duress, fraud, overreaching, harassment, intimidation or undue influence;
 - (c) The written communication concerns an action of personal injury or relates to an accident or disaster involving the person to whom the communication is addressed or a relative of that person, unless the accident occurred more than 30 days prior to the mailing of the communication; or
 - (d) The chiropractor knows or reasonably should know the physical, emotional or mental state of the person is such that the person cannot exercise reasonable judgment in seeking chiropractic care services.

Rule 100-7-.04. Standards of Practice.

- (1) For the purposes of this Section, standards of practice shall include, but not be limited to, the following:
 - (a) Knowingly performing an act which in any way aids, assists, procures, advises, or encourages any unlicensed person to practice chiropractic;
 1. Nothing in this Section shall prohibit the activities authorized in O.C.G.A. [43-9-7.2\(3\)\(A\) and \(B\)](#).
 - (b) failing to conform or comply with the minimum standards of acceptable and prevailing chiropractic care;
 1. Chiropractic care shall include offering or rendering a professional chiropractic opinion, which has the capacity or intent of affecting the frequency, duration, necessity, or outcome of chiropractic treatment or patient care. Any person rendering such a chiropractic opinion in Georgia must identify themselves by name, degree designation, location of practice, and Georgia chiropractic license number.
 - (c) Failing to release patient information to another healthcare professional or any other authorized person upon proper written authorization by the patient.
 - (d) It shall be considered unprofessional conduct to deny care for a covered condition or service by a review agent when there is a reasonable expectation for improvement or the patient is demonstrating a reasonable rate of improvement. A reasonable rate of improvement would be influenced by condition chronicity, patient age, co-morbid factors, frequency of care and exposure to activities that would impede progress.
 - (e) It shall be considered unprofessional conduct to deny care for a covered condition or service by a review agent for care to prevent the deterioration of a condition once the patient has achieved maximum clinical improvement, if sufficient evidence exists demonstrating that reduction or withdrawal of care has and will continue to have a deleterious effect on the patient.

Rule 100-7-.05. Sexual Misconduct.

- (1) For the purposes of this Section, sexual misconduct shall include, but not be limited to, the following:
 - (a) engaging in sexual misconduct with a patient.
- (2) "Patient" as used in this Section is any person, other than a spouse, who was being examined or who was under the care or treatment of the chiropractor when the incident or incidents of sexual misconduct allegedly occurred, regardless of whether the person was billed by or was paying for chiropractic services; regardless if the alleged sexual misconduct occurred outside of professional treatment sessions; or the alleged sexual misconduct was off the premises regularly used by the licensee for the professional treatment of patients and regardless of whether the person consented. A person shall be considered a patient until six (6) months has elapsed since the last date on which the chiropractor examined or treated the person.
- (3) "Sexual Misconduct" as used in this Section means sexual impropriety which may include but is not limited to:
 - (a) Any behavior, gestures, or expressions which may reasonably be interpreted as inappropriately seductive or sexually demeaning;
 - (b) Inappropriate sexual comments about and to a patient including sexual comments about an individual's body;
 - (c) Requesting unnecessary details of sexual history or sexual likes and dislikes;
 - (d) Making a request to date;
 - (e) Initiating conversation regarding the sexual problems, preferences, or fantasies of the licensee;
 - (f) Participation in acts of a sexual nature recorded on film, in print or in an electronic medium;
 - (g) Acceptance of compensation for acts of a sexual nature and as described as "sexual intimacy."
 - (h) Kissing or fondling of a sexual nature; or
 - (i) Any other deliberate or repeated comments, gestures, or physical acts not constituting sexual intimacies but of a sexual nature.

- (4) "Sexual intimacy" as used in this Section means acts which may include engaging in any conduct that is sexual or may be reasonably interpreted as sexual, such as:
- (a) Sexual intercourse;
 - (b) Genital contact;
 - (c) Oral to genital contact;
 - (d) Genital to anal contact;
 - (e) Oral to anal contact;
 - (f) Oral to oral contact;
 - (g) Touching breasts or genitals;
 - (h) Encouraging the patient or another to masturbate in the presence of the licensee;
 - (i) Masturbation by the licensee when another is present; or
 - (j) Any bodily exposure of normally covered body parts.

Rule 100-7-.06. Incompetence, Board Sanctions and Felony Convictions.

- (1) For the purposes of this rule, incompetence, board sanctions and felony convictions shall include, but not be limited to, the following:
- (a) practicing the profession of chiropractic while suffering from some mental or physical incapacity that renders the licensee unable to practice chiropractic with reasonable skill and safety to patients;
 - (b) being subject to revocation, suspension, or annulment of the license to practice chiropractic by any lawful licensing authority, or by having other disciplinary action taken against the licensee by any lawful licensing authority, or being denied a license by any such authority;
 - (c) being convicted of a felony in the courts of this State or any state, territory, or country;

1. "Conviction of a felony" as used in this Section shall include a conviction of an offense which, if committed in this state, would be deemed a felony without regard to its designation elsewhere;
 2. for the purposes of this Section, a "conviction" shall be deemed to include a finding or verdict of guilty, or plea of nolo contendere, regardless of whether an appeal of the conviction has been sought.
- (d) violating any statute, law, rule, or regulation of this State, any other state, the Board, the United States, or any other lawful authority without regard to whether the violation is criminally punishable, which statute law, rule, or regulation relates to or regulates the practice of the chiropractic.

Rule 100-7-.07. Patient Referrals and Patient Records.

- (1) Licensed chiropractors are required to refer patients to an appropriate health care provider when it is clear that he/she knows or should have known that the patient condition is outside their scope of professional experience, training, or practice.
- (2) Patient records must contain and be retained in compliance with O.C.G.A. [31-33-1](#) as well as the following:
 - (a) must contain appropriate patient information to include but not be limited to:
 1. evidence of patient's evaluation, treatment and response to treatment;
 2. treatment notes following an acceptable format (i.e. SOAP);
 3. evaluations, diagnoses, prognoses;
 4. if applicable, x-rays;
 5. any other technical information used in assessing a patient's condition.
 - (b) must be retained for ten (10) years from the date of the last patient visit.
 - (c) must be released in compliance with O.C.G.A. [31-33-1](#) regardless of any outstanding bill or financial matter.

- (d) if an office closes, the chiropractor must post a legal notice of closing in the local legal organ (newspaper) as to the date the practice is closing and where the patient records should be obtained.
 - 1. the chiropractor must allow not less than thirty (30) calendar days to allow for retrieval of patient records.
- (e) must be retained, maintained and released in compliance with all federal and state laws, rules and regulations.

Rule 100-7-.08. Contractual Pre-Payments for Services.

- (1) It is considered unprofessional conduct for any chiropractor to enter into a financial contract which obligates a patient for care or payment for care using coercion, duress, fraud, overreaching diagnosis, harassment, intimidation or undue influence.
 - (a) Any services provided prior to the signing of the contract must not be included in the contract.
 - (b) The patient must be given a permanent copy of the signed contract; and the contract must provide a clearly defined refund policy typed in not less than 12 point font. An initial line must be next to the refund policy and must be initialed by the patient.
 - (c) The contract must contain the statement "There is insufficient evidence to suggest that not receiving chiropractic care will lead to death, paralysis, disability or permanent harm." Said statement must be typed in not less than 12 point font.
- (2) Any chiropractor who enters into a pre-payment financial contract with a patient must allow the patient 48 hours to sign and return the contract. During this 48-hour evaluation period from the time when a copy of the written contract is provided to the patient; no content of the contract can be changed.
- (3) Any chiropractor who enters into a pre-paid financial contract with a patient shall determine and record the patient's clinical objective which the pre-paid care is designed to achieve and provide the patient with a copy of this objective.

Chapter 100-8. SCOPE OF PRACTICE OF CHIROPRACTIC STUDENTS.

Rule 100-8-.01. Scope of Practice of Chiropractic Students.

(1) Definitions.

- (a) "Chiropractic Preceptor" means any person licensed as a doctor of chiropractic in the State of Georgia who is approved by the Board to supervise chiropractic students in the performance of chiropractic at a location other than the premises of the chiropractic college in which the student is enrolled.
- (b) "Supervision and direction" means that a duly authorized instructor or chiropractic preceptor shall be within the immediate patient treatment area, the clinic proper, and available to the students at all times.

(2) Students enrolled at approved chiropractic colleges may perform chiropractic procedures provided such students have successfully completed at least one academic year of schooling and the chiropractic procedures are performed under the supervision and direction of an authorized instructor duly licensed to practice chiropractic in the State of Georgia.

(3) Students enrolled at approved chiropractic colleges may perform chiropractic procedures at a location other than the premises of the chiropractic college at which the student is enrolled provided such students have successfully completed a minimum of three academic years of chiropractic college and have met all of the chiropractic college's requirements concerning its student/preceptor program. The chiropractic procedures performed by the student shall be performed under the supervision and direction of a Chiropractic Preceptor.

(4) Students performing chiropractic procedures at a location other than the premises of the chiropractic college at which the student is enrolled and under the supervision and direction of a Chiropractic Preceptor shall be known as "Chiropractic Interns" and shall not represent themselves to the public as licensed Chiropractors or use terms such as "Chiropractor", "Doctor of Chiropractic" or "D.C."

(5) The Chiropractic Preceptor must be approved by the Board prior to supervising a chiropractic student. To qualify as a Chiropractic Preceptor, the chiropractor shall:

- (a) Be licensed to practice chiropractic in the State of Georgia for not less than five years.
 - (b) Not have had any public or private sanctions against his license to practice chiropractic in Georgia or any other state.
 - (c) Sign a sworn statement that he or she has not knowingly violated federal rules or regulations including, but not limited to, those pertaining to the repayment of guaranteed federally funded student loans obtained to finance one's chiropractic education.
 - (d) Have the written approval of the chiropractic student's chiropractic college to serve as an adjunct faculty member for the purpose of a student/preceptor program.
- (6) All chiropractic procedures performed by chiropractic students shall be in compliance with all laws, rules, and regulations regarding the practice of chiropractic in the State of Georgia.
- (7) The primary responsibility for the programming and treatment of the patient by the chiropractic student rests with the Chiropractic Preceptor or other authorized instructor.
- (8) Documentation of all programming and treatment of the patient and all changes to such programming and treatment plans must be reviewed and approved by the authorized instructor or Chiropractic Preceptor.

Chapter 100-9. ELECTRICAL THERAPEUTIC MODALITIES.

Rule 100-9-.01. Electrical and Therapeutic Modalities.

1. Doctors of Chiropractic may utilize, in conjunction with adjustments, electrical and therapeutic modalities.
 - (a) Each chiropractor, who utilizes electrical and therapeutic modalities as listed in O.C.G.A. § [43-9-16\(b\)](#), must be certified as required in Code Section [43-9-16\(c\)](#).
 - (b) The responsibility for treatment using electrical and therapeutic modalities rests with the licensed Doctor of Chiropractic responsible for the patient receiving such care.
 - (c) Only chiropractors who are certified may administer electrical and therapeutic modalities.
 - (d) To become certified by the Board for use of electrical and therapeutic modalities, a licensed Doctor of Chiropractic must:
2. Submit to the Georgia Board of Chiropractic Examiners official documentation of having obtained a minimum of 120 classroom hours of instruction in the proper utilization of electrical and therapeutic modalities.
3. Official documentation shall mean transcripts or letters of certification from the institution or organization providing training.
4. Courses taught by institutions accredited by the Council on Chiropractic Education (CCE) are approved for purposes of this regulation.
5. Courses taught by entities other than CCE accredited institutions must be approved by the Board prior to the course being offered and must provide instruction in the proper utilization of those procedures in accordance with the standards utilized by chiropractic schools.

Chapter 100-10. REASONABLE CARE AND SKILL DEFINED.

Rule 100-10-.01. Reasonable Care and Skill Defined.

In accordance with O.C.G.A. Sec. [43-9-12.1](#), the definition of reasonable care and skill shall include, but not be limited to, the following criteria:

- (a) A doctor of chiropractic must bring to the exercise of his/her profession a reasonable degree of care and skill which shall include the determination of the need for chiropractic care as defined in Code Section [43-9-1\(2\)](#).
 - 1. The determination of the need for chiropractic care shall include only those methods of determining the need for chiropractic care, treatment, or referral which are taught by chiropractic schools or colleges accredited by the Council on Chiropractic Education or a board approved successor.
- (b) The doctor of chiropractic has the responsibility as a primary healthcare provider to examine, establish a diagnosis/clinical impression, render treatment and/or referral, commensurate with his/ her findings.
 - 1. Referral to an appropriate health care provider shall be considered by the Board to mean the direction of a patient to another licensed health care professional or institution for evaluation, consultation or care. Referrals may be made for the purposes of consultation, concurrent care, post-chiropractic care, the administration of diagnostic procedures, the evaluation of diagnostic findings, emergency care or because a clear determination has been, or should have been made on the part of the chiropractor that a patient condition is outside his/her scope of professional experience, training or practice.
 - (i) For the purposes of this chapter the Board shall define the term "licensed health care professional" to mean, but not be limited to mean, any healthcare practitioner appropriately licensed or certified in this or another state to practice one of the healthcare professions.

- (ii) For the purposes of this chapter the Board shall define the term "licensed healthcare institution" to mean any healthcare facility authorized or licensed by this or another state to provide treatment or evaluation and shall include, but not be limited to, hospitals, clinics, physical therapy or rehabilitation facilities or clinics, diagnostic imaging centers, or licensed clinical laboratories.
2. Any failure to refer a patient to an appropriate health care provider when it is clear that a chiropractor knows or should have known that a patient condition is outside his/her scope of professional experience, training or practice may be considered by the Board to constitute unprofessional conduct subject to the provisions of O.C.G.A. Sec. [43-9-12](#).
- (c) A diagnosis/clinical impression must be established based on the correlation of the history and the examination into a logical and meaningful framework to determine the chiropractic care to be utilized.
 - (d) The doctor of chiropractic is expected to render adjustments in accordance with specific chiropractic methods when such treatment is indicated.
 - (e) The doctor of chiropractic may utilize ancillary physiological therapeutic procedures in conjunction with adjustments of the spinal structures in accordance with Rule [100-9-.01](#).
 - (f) The doctor of chiropractic may utilize procedures, as may be authorized by statute, and as are necessary to provide a reasonable degree of care and skill in the rehabilitation of the patient.
 - (g) Records shall be maintained clearly showing the progression of the events under clinical review, diagnosis/clinical impressions, chiropractic care and case management. All records shall be available as provided in O.C.G.A. Title 31, Chapter 33.
 - (h) Original patient x-ray films or accurate copies shall be retained for not less than ten (10) years from the date of each x-ray exposure.
 - 1. Except as provided in subparagraph (h), all other patient records, including radiological diagnosis and clinical impressions, shall be retained for not less than ten (10) years from the date of the last examination or treatment by the doctor of chiropractic.

Chapter 100-13. TRAVEL TO TREAT; VISITING PRACTICE.

Rule 100-13-.01. Travel To Treat; Visiting Practice.

- (1) A chiropractor not licensed to practice in Georgia but who is licensed and in good standing in any other state, territory, or jurisdiction of the United States or any other nation or foreign jurisdiction may engage in the practice of chiropractic if he or she is employed or designated in his or her professional capacity by a sports or performing arts entity visiting the State for a specific sports or performing arts event subject to the following restrictions and rules:
 - (a) The practice of chiropractic subject to this rule shall be limited to members, coaches, and/or official staff of the team or event for which that chiropractor is designated. In the event that services are requested by a specific athlete or performer, the practice of chiropractic shall be limited to services performed for that individual only.
 - (b) The practice of chiropractic as authorized by this rule shall be limited to the designated venue of the event or designated treatment area for said event. The Board, in its discretion, may audit, review, or inspect the venue and chiropractic services rendered.
 - (c) Any chiropractor practicing under the authority of this Section may utilize only those practices and procedures that are within the scope of chiropractic practice in the State of Georgia as authorized by O.C.G.A. 43-9 and the rules and regulations governing chiropractic practice in this State.
 - (d) A chiropractor practicing under the authority of this Section may not utilize electrical therapeutic modalities if he or she does not have at least 120 hours of instruction in their proper utilization as required by O.C.G.A. [43-9-16](#) and Board Rule [100-9-.01](#).

- (e) Any violation of law, rule, or regulation governing the chiropractic practice provided for pursuant to O.C.G.A. § [43-9-7.2\(3\)](#) shall result in the immediate revocation of all such privileges pertaining to the practice of chiropractic in this State. Such violations may, in the discretion of the Board, be considered grounds for refusal or sanction of a license should the person apply for licensure in this State.

Chapter 100-16. TEMPORARY LICENSE.

Rule 100-16-.01. Temporary License.

- (1) The Board may issue, in its discretion, without examination, a temporary license to an applicant, subject to the following conditions:
 - (a) An applicant shall file contemporaneously an application for regular state licensure as provided for in O.C.G.A. [43-9-7](#) with a completed application for temporary licensure, which temporary license application shall be accompanied by the following:
 - 1. Certification from all states in which the applicant holds a chiropractic license demonstrating his or her good standing. To be considered for temporary licensure, an applicant's license must be in good standing in the state in which he or she successfully passed an examination for licensure,

and this state must have the same or similar licensing requirements as the State of Georgia;

2. A request for Board approval, on a form provided by the Board, from a doctor of chiropractic licensed and in good standing in this state who has agreed to undertake the supervision and direction of the applicant for temporary licensure in accordance with the provisions of Board Rule 100-16-.01(3); and
 3. A temporary license application fee established by the Board.
- (b) An applicant who has previously taken and failed the Georgia examination for licensure will not be permitted to obtain a temporary license to practice in this state.
- (2) A person who has been granted a temporary license shall have all of the rights and privileges incident to the practice of chiropractic in this state as authorized by the laws, rules and regulations governing the practice of chiropractic in the state of Georgia, subject to the following limitations:
- (a) A person holding a temporary license shall only practice chiropractic under the supervision and direction of a Board approved licensed doctor of chiropractic.
 - (b) For purposes of this Rule, the phrase "supervision and direction" shall mean that the supervising licensed doctor of chiropractic shall be physically present on the premises and accessible to the temporary licensee at all times. The phrase "supervision and direction" shall further mean that the temporary licensee shall be required to maintain clearly legible treatment records which shall include a treatment plan on each patient which has been reviewed, approved, and signed by the supervising licensed doctor of chiropractic.
 - (c) A temporary licensee shall be required to maintain records in the manner set forth in Board Rule [100-10-.01\(g\)](#). All treatment records shall include a plan of care for each patient that has been reviewed and approved by the licensed doctor of chiropractic. On any visit on which the temporary licensee has provided care to a patient, both the supervising licensed doctor of chiropractic and temporary licensee shall sign off on the record.
 - (d) Persons practicing under a temporary license shall not utilize electrical therapeutic modalities unless the chiropractor by whom he or she is being directly supervised is authorized to utilize these modalities and the temporary licensee has himself or herself previously received certification from the Board to use these modalities as required by Board Rule [100-9-.01](#).

- (3) As part of the application process, an applicant for temporary licensure must formally request the Board approval of a licensed doctor of chiropractic to serve as his or her supervising doctor of chiropractic. The following criteria shall be employed by the Board in determining whether a chiropractor may serve in this capacity:
- (a) The proposed supervising doctor of chiropractic shall:
 - 1. be licensed and in good standing in this state; and
 - 2. not be under a current disciplinary sanction or have any disciplinary sanctions by this or another licensing agency resulting from unprofessional conduct, including, but not limited to, a felony conviction, a standard of care case, or crime involving moral turpitude.
 - (b) The supervising licensed doctor of chiropractic shall agree to provide supervision and direction to the temporary licensee as provided for in Section 2 of this Rule.
 - (c) Any willful failure to adequately provide supervision and direction to a temporary licensee in his or her charge may result in disciplinary action being initiated against the supervising licensed doctor of chiropractic.
 - (d) No licensed doctor of chiropractic shall be approved to supervise more than one temporary licensee at a time.
 - (e) In the event that a holder of a temporary license does not take and successfully pass the next available licensing examination, the supervising chiropractor shall immediately assume responsibility for all patients being treated by the former temporary licensee. All such patients who were previously treated by the former temporary licensee shall be notified in writing of the reason for this change in doctor of chiropractic within 72 hours of the date of the expiration of the temporary license.
- (4) The temporary license shall:
- (a) Remain valid for a maximum of twelve (12) months from the date of issuance but shall automatically expire within the twelve month period when the temporary license holder:
 - 1. is granted a regular license; or
 - 2. does not take and pass the next available examination following the grant of such temporary license, in which event the license expires upon the notification of the results of the examination.
- (5) Continued practice after the date of expiration of a temporary license without first having successfully obtained a regular license shall constitute the unlicensed practice of chiropractic which is punishable as a felony in the State of Georgia.

Chapter 100-17. PEER REVIEWER.

Rule 100-17-.01. Peer Reviewer.

- (1) For purposes of this rule "Peer Reviewer" means any person rendering a professional chiropractic written or verbal opinion, which has the capacity or intent of affecting the frequency, duration, necessity, or outcome of chiropractic treatment or patient care and who is being compensated by a 3rd party payer or other contractual parties.
- (2) Chiropractic care shall include offering or rendering a professional chiropractic written or verbal opinion, which has the capacity or intent of affecting the frequency, duration, necessity, or outcome of chiropractic treatment or patient care. Any person practicing as a Peer Reviewer in Georgia must:
 - (a) Notify the Georgia Board of Chiropractic Examiners of his/her intent to act as a Peer Reviewer. Such notification must include the individual's Georgia license number.
 - (b) Possess a valid Georgia chiropractic license;
 - (c) Have completed a certification program totaling a minimum of 100 hours in performing utilization peer review;
 - (d) Have the physiotherapy modalities certification listed as a secondary license type on their Georgia license;
 - (e) Identify themselves by name, degree designation, location of practice, and Georgia chiropractic license number;
 - (f) Have established not less than five (5) years of active private clinical practice in Georgia immediately prior to rendering such opinion; and
 - (g) Have earned a minimum of seventy percent (70%) of chiropractic related income from the active treatment of patients in Georgia in each of the previous five (5) years.
- (3) Licensed chiropractors conducting peer review on behalf of a Georgia professional association, as approved by the board by policy, are exempt from this rule.
- (4) Effective from the effective date of this rule amendment through January 31, 2010, the Board will consider requests from Georgia licensed doctors of chiropractic to be grandfathered as Peer Reviewers.

Rule 100-17-.02. Guidelines for the Chiropractic Peer Reviewer.

- (1) The chiropractic peer reviewer shall perform duties in accordance with the applicable law(s) and shall observe the highest of ethical and moral principles, evidence-influenced standards/guidelines and policies of professional practice.
- (2) The chiropractic peer reviewer shall make guidelines and supporting references available when requested.
- (3) The chiropractic peer reviewer understands that guidelines are not inflexible guidelines, and they should not be used as sole evidence for an absolute standard of care, and are considered on a case by case basis.
- (4) The chiropractic peer reviewer shall at all times act with integrity, truthfulness and honesty.
- (5) The chiropractic peer reviewer shall at no time divulge confidential information in an inappropriate or unlawful manner and shall exercise the care required for confidentiality and privacy consistent with the applicable legal jurisdiction.
- (6) The chiropractic peer reviewer shall not maliciously injure the reputation or professional practice of providers, employers, insurers, claimants, or other parties.
- (7) The chiropractic peer reviewer shall divulge and report appropriately when faced with potential conflicts of interest.
- (8) The chiropractic peer reviewer shall try to remain unbiased and objective, so that a trier of fact is served by accurate determination of the facts involved.
- (9) The chiropractic peer reviewer shall thoroughly review and analyze the evidence in a case, concerning the quality and efficiency of the services ordered or performed by the chiropractor under review.
- (10) The chiropractic peer reviewer shall not intentionally withhold or omit any findings or opinions discovered during a chiropractic evaluation or review that would cause the facts of a case to be misinterpreted or distorted.
- (11) The chiropractic peer reviewer shall never misrepresent credentials, education, training, experience, or membership status.

- (12) The chiropractic peer reviewer shall respect the rights of the examinee and other participants, and treat these individuals with dignity and professionalism.
- (13) The chiropractic peer reviewer shall never accept a fee for services which is dependent upon writing a report favorable to the referral service.
- (14) Any person rendering a chiropractic opinion in Georgia must identify themselves by name, degree designation, location of practice, and Georgia chiropractic license number.
- (15) The chiropractic peer reviewer shall continue to study, apply, and advance scientific knowledge, maintain a commitment to continuing sub-specialty education, obtain consultation, and use the talents of other healthcare professionals when indicated.
